Bus boarding check:

1. **Temperature check**
2. **Luggage check (right size & type)**

General information

Life at camp will be simple and we will learn how to spend our days in a calm and peaceful environment in the heart of the forest.

Please encourage your children to prepare their own bag with your help, but please don't prepare it for them. This way they will know exactly what they have with them, they will easily locate what they need and learn to take care of their own belongings. The recommended equipment (**on the back**) is necessary for the camp. It is not mandatory to buy the recommended items but keep in mind that it is quality value-for-money equipment to be used in the future as well. You can use what you have at home that fits the description. If you are not sure about something you have at home, please ask us.

Equipment purchase

You can purchase the required equipment at our own store [Get Out outdoor store](#). We carry all the equipment and everything one needs for adventure and outdoor sports, and we offer **20% discount for your purchases**. Free next day delivery all over Cyprus. Please call Alexandros the store manager on 22311012 for anything you might need.

You can shop at GET OUT in Nicosia or online on <https://getout.cy/>. You can see items suggested for Kids Adventure Camp by clicking on [Shop for Kids Adventure Camp](#).

Coupon code for online purchases: **CAMP20OFF**

* *Valid on all items, excluding sale items.*

Camp Equipment list:

- **Soft Duffle bag without wheels 60 Litres max:** Duffle bags are soft yet durable, can fit in a lot of things, and can be easily stored in the tent without taking up a lot of space. They are very convenient with a big opening to facilitate easily locating things. One bag per child. Please check the dimensions to be **no more than 60cm X 35cm X 35cm height. Only soft duffle bags with NO wheels, NO bulky travel luggage, and NO trekking rucksacks** please. *It should fit everything including the recommended sleeping bag and mat if these are compact. In case your sleeping bag and/or your sleeping mat are bulky and they don't fit inside, those can be carried in a nylon bag that can be folded and saved as soon as participants settle in the tents.*
- **Hiking backpack 15-20L:** Fits on the shoulders with two slings and ties around the waist. Preferably with anatomic back support system to provide a pleasant hiking experience. **Any comfortable backpack from home will do.**
- **Sleeping bag:** Summer light & compact sleeping bag. Quality sleeping bags don't cause allergic skin reactions while allowing the skin to breathe when sleeping. The packing dimensions of the sleeping bag should be 40cm x 20cm or less.
- **Self-inflatable sleeping mat:** The mat must be a camping mat and not an exercise mat. The quality of the mat reflects quality of sleep. Please check that the dimensions of your child's sleeping mat when unfolded are not more than 185cm length X 55cm width X 5cm height so it will fit in the tent and not more than 25 cm x 15cm when packed so it will fit in the duffle. *Avoid foam mats because they are not meant to be used for several nights as they are not comfortable. We need a compact camping mat, not air beds that are to be inflated with a pump.*
- **One bath towel & one face towel.** You can get a specialized super absorbent light towel, but children can bring any towel from home.
- **Sport trainers**, preferably with rugged soles.
- **Slippers or flip flops** for the shower and swimming pool
- **5 pairs of shorts**, preferably synthetic material
- **1 pair of long pants**, light summer pants preferably synthetic material
- **5 short sleeve t-shirts**, preferably synthetic that provide sufficient breathability
- **Fleece jacket or other warm long-sleeve jumper** for the evening (not bulky/ compact when packed)
- **6 pairs of underwear**
- **6 pairs of sport socks** preferably synthetic
- **Pyjamas** (only 1 pair please) – most children prefer long bottoms
- **Swimsuit** (and swim goggles optional)
- **Sun hat or Cap or BUFF®** multi-functional headwear
- **Protective sunglasses**, preferably sport sunglasses
- **2 water bottles**, unbreakable, plastic, or stainless steel (approx.700 ml each)
- **Headlamp**, compact and lightweight for night hike and evening camp life
- **Personal hygiene products:** toothbrush, toothpaste, shampoo & shower gel
- **Sun protection cream / protective lip balm/ personal small antiseptic**
- **Anti-mosquito lotion**, preferably odorless and made with natural ingredients
- **Money allowance** (maximum €10 please include some coins)

Optional

- **Photo camera** to capture all the fun and to participate in photo contest (*preferably inexpensive models*)
- Musical instrument
- 1 book
- 1 board game or activity pack

Not allowed at camp

- All types of electronic devices including tablets, video game consoles and GPS trackers
- Food (sweets, biscuits, chips, etc.)
- Items not on the list

Contact during camp

Campers will call you once on Monday afternoon. If requested, they are allowed a second phone call during the week. If you need to urgently contact your child, you must call the Camp Leader. Too frequent contact with your child is not necessary and intervenes with your child's adjustment to life at the camp. Please only call Marios in case of an emergency. HE WILL call you if your child is having a real problem or to clarify something if necessary.

Contact number *before* Camp: **22254612 & 99441585** (Louisa)

Contact number *during* Camp: **99359214** (Marios -Camp Leader) (*send SMS please if not urgent*)

Policy on mobile phones

Campers can bring a phone to be handed to team leaders on arrival and handed out to campers only for phone call time. If they do not bring a phone, they will use our team's phones to call. **Phones will not be given to campers at any other time.** Phones will be kept in a safe place. One phone per family please.

Emotional support

Some of the children are going to camp for the first time. Remember: they are old enough to be doing this. And they are ready, but they also need your support. We need two things from you: your trust in us as educators and your support and encouragement to your child. Your camper will call you on the first day of the camp in the afternoon.

Please note that, especially children who are going for the first time, have mixed emotions on the first day(s) and might get emotional when they call you. Please avoid asking too many investigative questions (I.e., Did you eat? Are you tired? etc.). Instead let them speak and express themselves. Marios and the team are there for them, to guide them and help them with love and respect, each and every one of them individually. If you are tough for them too, you will get them back stronger and tougher 😊 Please only call Marios in case of an emergency. He WILL call you if your child is having a real problem or to clarify something if necessary. Please remember no news is good news. You can also text or call me (Louisa) if you have any concerns during camp.

We remain at your disposal for any assistance you might need or any questions. Our team is looking forward to welcoming you for an unforgettable adventure!
